## Overview

The MSA 10032164 Fluid Super Plus Klar-Pilot Anti Mist Spray 100ml is a professional anti-fog, anti-static and anti-misting agent. Ideal for cleaning protective face shields or visors, the lenses on protective suits and full face masks. The spray can also be used for diving masks, swimming goggles and safety goggles.

The Klar-Pilot spray eliminates contamination by dirt, oils or grease and at the same time prevents fogging. The spray works safely - even in extreme conditions - and has a long-lasting effect.
