Overview

Specification

The Infield Terminator 9384-105 Safety Glasses are stylish, lightweight (27g) safety glasses with a sporty design. The wraparound lens provides reliable UV 400 protection and a wide field of vision while also protecting a wide strip of the eyeline and is scratch-resistant and anti-static on both sides. The glasses have an integrated brow guard, a soft adjustable nose piece and adjustable side arms with Softflex+ tips for a comfortable, personalised fit. Tested and certified to EN 166:200 standards.
