Overview

Specification

The Pyramex Ever-Lite ESB8610DT Clear Safety Glasses is one of the lightest safety eyewear products available, weighing only 22g. The Ever-Lite glasses have a soft nosepiece for snug fit.

The 8 base wraparound lens provides full front and side protection. The Clear H2X Anti-Fog lens is made of scratch resistant polycarbonate (PC) material and provides 99% UVA/B/C protection. A great general purpose safety spec for indoor applications that require impact protection.
